we live in a world where sexuality is ruined by sin its beauty obscured by our brokenness we need a divine vision for the way love was meant to be with a gospel that offers forgiveness for sin and grace to live in the way that god has made us to be in the song of songs we encounter a love story that is part of the greatest love story ever told philip ryken walks through this biblical love poem verse by verse

engage with a love that transcends social experiments and leads to a radically transformed life even non christians are familiar with the love chapter of 1 corinthians read at weddings painted on decorative signs and preached regularly from the pulpit love is patient love is kind love is the words are so familiar they almost lack meaning a christianese version of live laugh love but what happens when these verses are taken seriously what would it take for someone to live out the love chapter as literally as possible that was the question kim sorrelle set out to answer during her yearlong experiment using 1 corinthians 13 as a road map she focused on one phrase at a time seeking to understand its true meaning and how it could motivate every daily action and she didn't just look at the best known parts of the passage but also the parts we don't think too deeply about love does not boast does not dishonor others doesn't keep a record of wrongs and more in her attempts to live the love chapter to the letter kim journeyed all the way to haiti where she met people who both tested and displayed love to its limits from irritating employees to sexist short term missionaries to curse wielding women to the profoundly kind nuns her encounters are filled with rueful self reflection and comical commentary as well as a new understanding of the nuances and power of true love in action kim's transformation into someone who truly loves like jesus will challenge readers to think more deeply about how they can manifest love in their own lives and will reveal the power of christlike devotion that is unwearied and humble contented and forgiving above all her exploration is an incredible encounter with the filling strengthening love of god a love that truly never fails

the only path to life not mere survival for a human being is the love of god but what is love there are many definitions of this short word and even more opinions about its meaning there are also those who say that there are different types of love however scripture simply states that god is love and that love comes from god so why is there such confusion about love part i of because god is love exposes the passionate and alluring yet deceptive reasons behind this confusion of meaning brings forth the simple truth about love in its human facet and shows how everything else that has been called love is nothing other than a delusion that is akin to idolatry and as such it is destructive and completely removed from the true love of the lord our god the only power that redeems fulfills and provides meaning to the existence of those who wholeheartedly love him

love is a universal emotion it does not matter what race what faith or what age you

are love feels the same to every heart love for family and friends have been around since the beginning of creation love yes everyone wants to be loved not only does everyone want love they also want to give it usually the more love you give the more you get back but not always i will explore the many different kinds of love and maybe at the end of the book we will have a better understanding of what love truly means i will be writing this from a christian perspective but as i said love means and feels the same no matter what faith you are or even if you are not of any faith at all
