this volume analyzes the successes and failures of foreign interventions in intrastate ethnic wars adding value to current research in the fields of international security and conflict resolution it adopts the unique approach of considering successes of third party actions not by durable peace established in a target country which is the more traditional approach but by actual fulfilment of intervention goals and objectives because multilateral interventions are more likely to achieve success in the pursuit of their goals than unilateral actions robert nalbandov takes in depth studies of interventions in chad georgia somalia and rwanda and relates them to the main theories of international security the ethnic security dilemma and the credible commitment problem to produce a fascinating and valuable volume

the study is the result of an international collaborative project supported and funded by the carnegie corporation of new york this multi year venture has involved a research team of some forty chapter authors and commentators the research has been accompanied by three major workshops on project methodology initial chapter reviews and final discussions a point was made of including both scholars and practitioners involved in power sharing settlements in the review process in the hope that more would be learned about the actual implementation of the settlements under investigation the project team was united in its wish to explore whether long standing secessionist conflicts have been addressed effectively through the significant number of self determination settlements that were generated in response to the wave of internal conflicts of the 1990s it was also committed to testing whether consociationalist and integrative techniques of conflict settlement really are as mutually exclusive as is sometimes supposed or whether they can in fact be mutually reinforcing finally the project derives its impetus from the necessity to critically rethink the doctrine of self determination one may question whether its traditional restrictive interpretation will be adequate in confronting the wide variety of future challenges to the territorial integrity of states

originally published in 1980 state and local governments handle a lot of the systems that are used and we come into contact with on a daily basis this text contains a wide range of essays that define the important questions in the field critically evaluate where we are in answering them and set the direction and
